CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET OF THE STOCK EXCHANGE OF HONG KONG

Characteristics of The Growth Enterprise Market (“GEM”) of The Stock Exchange of Hong Kong Limited (the “Exchange”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATES TO ISSUE SHARES AND
REPURCHASE SHARES;
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM relating to, among other things, (i) the re-election of Directors; and (ii) the granting to the Directors of general mandates to issue and repurchase Shares up to 20% and 10% respectively of the aggregate nominal amount of the Company's issued share capital as at the date of the passing of such resolutions.

LETTER FROM THE BOARD

RE-ELECTION OF DIRECTORS

As at the Latest Practicable Date, the Board consists of eight (8) Directors, namely Mr. Tam Wing Ki, Mr. Gao Hong, Mr. Fu Yan Ming, Mr. Kwok Ming Fai, Mr. Tao Hong Ming, Mr. Chan Shiu Man, Mr. Cheng Yuk Kin and Mr. Wong Ching Wan.

Pursuant to Article 84(1) of the Articles, at each annual general meeting, one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office, hence each Director (including those appointed for a specific term) will be subject to retirement by rotation at least once every three (3) years at the annual general meeting, provided always that any Director appointed pursuant to Article 84(2) of the Articles shall not be taken into account in determining the Directors who are to retire by rotation at such meeting. The Directors to retire in every year shall be those who have been longest in office since their last election but as between persons who became Directors on the same day those to retire shall (unless they otherwise agree between themselves) be determined by lot. The retiring Directors shall be eligible for re-election. Pursuant to Article 83(3) of the Articles, the Board shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an addition to the Board. Any Director so appointed shall hold office only until the next following general meeting of the Company (in the case of filling a casual vacancy) or until the next following annual general meeting of the Company (in the case of an addition to the Board), and shall then be eligible for re-election.

Pursuant to Article 84 of the Articles, Mr. Gao Hong, Mr. Fu Yan Ming, Mr. Kwok Ming Fai and Mr. Chan Shiu Man shall retire from office by rotation and, being eligible, offer themselves for re-election at the AGM.

Article 85 of the Articles provides that no person, other than a retiring Director, shall, unless recommended by the Board for election, be eligible for election to the office of Director at any general meeting, unless notice in writing of the intention to propose that person for election as a Director and notice in writing by that person of his willingness to be elected shall have been given to the Company during the period commencing no earlier than the day after the despatch of the notice of the general meeting appointed for such election and ending no later than seven (7) days prior to the date of such general meeting. Accordingly, if a Shareholder wishes to nominate a person to stand for election as a Director at the AGM, he should serve a notice in writing of his intention to propose such a person for election as a Director at the Head Office of the Company at “Unit 311, 3/F., Lakeside 1, No. 8 Science Park West Avenue, Hong Kong Science Park, Shatin, N.T., Hong Kong” (the “**Head Office**”) on or before 10 July, 2017. Moreover, a notice in writing by the proposed director confirming his willingness to be elected as a director must also be validly served at the Head Office on or before 10 July, 2017.

Pursuant to Rule 17.46A of the GEM Listing Rules, a listed issuer shall disclose the details required under Rule 17.50(2) of the GEM Listing Rules of any directors proposed to be re-elected or proposed new director in the notice or accompanying circular to its shareholders of the relevant general meeting, if such re-election or appointment is subject to shareholders’ approval at that relevant general meeting.

LETTER FROM THE BOARD

Brief biographical details of the retiring Directors who are proposed to be re-elected at the AGM are set out in Appendix I to this circular. If a valid notice from a Shareholder to propose a person to stand for election as a Director at the AGM is received after the printing of this circular, the Company will issue a supplementary circular to inform the Shareholders of the details of the additional candidate proposed.

GENERAL MANDATES TO ISSUE SHARES AND REPURCHASE SHARES

On 27 July 2016, ordinary resolutions were passed for the granting of general mandates to the Directors (i) to allot, issue or otherwise deal with additional Shares of the Company up to 20% of the aggregate nominal amount of the share capital of the Company in issue as at that date (“**Existing Issue Mandate**”), being 96,000,000 Shares; and (ii) to repurchase Shares up to 10% of the aggregate nominal amount of the share capital of the Company in issue as at that date (“**Existing Repurchase Mandate**”), being 48,000,000 Shares.

The Existing Issue Mandate and the Existing Repurchase Mandate will expire upon the conclusion of the AGM. The Directors consider that the Existing Issue Mandate and the Existing Repurchase Mandate are in the interests of both the Company and the Shareholders as a whole. An exercise of the Existing Issue Mandate enables the Company to raise additional capital of the Company from time to time. An exercise of The Existing Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or earnings per Share. Consequently, the Board recommends that these mandates be renewed by the Company at the forthcoming AGM.

New general mandates to allot, issue or otherwise deal with additional shares of the Company up to 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of passing the resolution as set out in Resolution No. 5(A) of the notice of AGM will be proposed at the AGM. Subject to the passing of the resolution granting the proposed mandate to issue shares of the Company and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed under such mandate to issue a maximum of 768,000,000 Shares, representing 20% of the issued share capital of the Company as at the Latest Practicable Date. In addition, a new general mandate to repurchase Shares up to 10% of the aggregate nominal amount of the share capital of the Company in issue as at the date of passing the resolution (“**Share Repurchase Mandate**”) as set out in Resolution No. 5(B) of the notice of AGM will also be proposed at the AGM. A resolution authorising the extension of the general mandate to the Directors to issue Shares of the Company to include the aggregate nominal amount of such Shares repurchased (if any) under the Share Repurchase Mandate is to be proposed as Resolution No. 5(C) of the notice of AGM at the AGM.

With reference to the proposed new general mandates, the Directors, as at the date hereof, wish to state that they have no immediate plans to issue any new shares or repurchase Shares of the Company pursuant to the relevant mandates.

LETTER FROM THE BOARD

An explanatory statement containing the particulars required by the GEM Listing Rules to enable the Shareholders to make an informed view on whether to vote for or against Resolution No. 5(B) to be proposed at the AGM in relation to the proposed Share Repurchase Mandate is set out in Appendix II to this circular.

AGM

The notice of AGM to be held at Unit 311, 3/F., Lakeside 1, No. 8 Science Park West Avenue, Hong Kong Science Park, Shatin, N.T., Hong Kong on 25 July 2017, Tuesday, at 2:00 p.m. is set out on pages 16 to 21 of this circular. A copy of the 2017 Annual Report is despatched to the Shareholders together with this circular. Ordinary resolutions in respect of, *inter alia*, the re-election of Directors and the general mandates to issue Shares and repurchase Shares will be proposed at the AGM.

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. The resolutions to be proposed at the AGM do not relate purely to a procedural or administrative matter. Accordingly, all resolutions set out in the notice of AGM will be put to vote by way of poll at the AGM. An announcement on the results of the vote by poll will be made by the Company after the AGM in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

A form of proxy for the AGM is enclosed with this circular. Whether or not you are able to attend the AGM, you are requested to complete the accompanying form of proxy in accordance with the instructions printed thereon and return the same to the Company's branch share registrar and transfer office, Boardroom Share Registrars (HK) Limited, 31/F., 148 Electric Road, North Point, Hong Kong, as soon as possible and in any event not less than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof. Completion and return of the form of proxy will not preclude the Shareholders from attending and voting in person at the AGM or any adjournment thereof if they so wish.

RECOMMENDATION

The Directors consider that the proposed ordinary resolutions for approval of the re-election of the retiring Directors, the grant of general mandates to issue Shares of the Company and repurchase Shares, and to add the aggregate nominal amount of Shares that may be repurchased to the aggregate nominal amount of the Shares that may be allotted pursuant to the general mandate to issue Shares of the Company are each in the best interests of the Company and the Shareholders as a whole, and accordingly, recommend all Shareholders to vote in favour of the resolutions to be proposed at the AGM.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular. The English text of this circular shall prevail over the Chinese text.

This Appendix contains the particulars that are required by the GEM Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the proposed Share Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of shares in issue was 3,840,000,000 Shares. Subject to the passing of the resolution granting the proposed mandate to repurchase Shares and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 384,000,000 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or earnings per share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

The Directors would exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the Shares can be repurchased on the terms favourable to the Company. On the basis of the consolidated financial position of the Company as at 31 March, 2017, being the date to which the latest published audited financial statements of the Company were made up, if the general mandate to repurchase Shares was to be exercised in full at any time during the proposed repurchase period, it may have an adverse impact on the working capital and gearing level of the Company.

The Directors do not propose to exercise the mandate to repurchase Shares to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company as compared with the position disclosed in the latest published audited financial statements of the Company or the gearing level which, in the opinion of the Directors, are from time to time appropriate for the Company.

FUNDING OF REPURCHASES

Repurchases to be made pursuant to the proposed mandate to repurchase Shares would be financed out of funds legally available for such purpose in accordance with the Articles and the laws of the Cayman Islands and or any other applicable laws, as the case maybe. Any repurchases made by the Company may be made out of profits, the Company's share premium account or out of the proceeds of a fresh issue of Shares made for the

purpose of the repurchase or, if authorised by the Articles and subject to the Companies Law (as revised) of the Cayman Islands (the “**Companies Law**”), out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or out of the Company’s share premium account before or at the time the Shares are repurchased or, if authorised by the Articles and subject to the Companies Law, out of capital.

EFFECT OF THE TAKEOVERS CODE AND REPURCHASE CODE

Upon the exercise of the power to repurchase Shares pursuant to the Share Repurchase Mandate, a Shareholder’s proportionate interests in the voting rights of the Company increases, and such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code and Rule 6 of the Repurchase Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and, depending on the level of increase of the Shareholders’ interests, may become obliged to make a mandatory general offer in accordance with Rules 26 and 32 of the Takeovers Code.

The Directors have no present intention to exercise the Share Repurchase Mandate to such an extent as would result in takeover obligation.
